

• Triangular Trade & Slavery

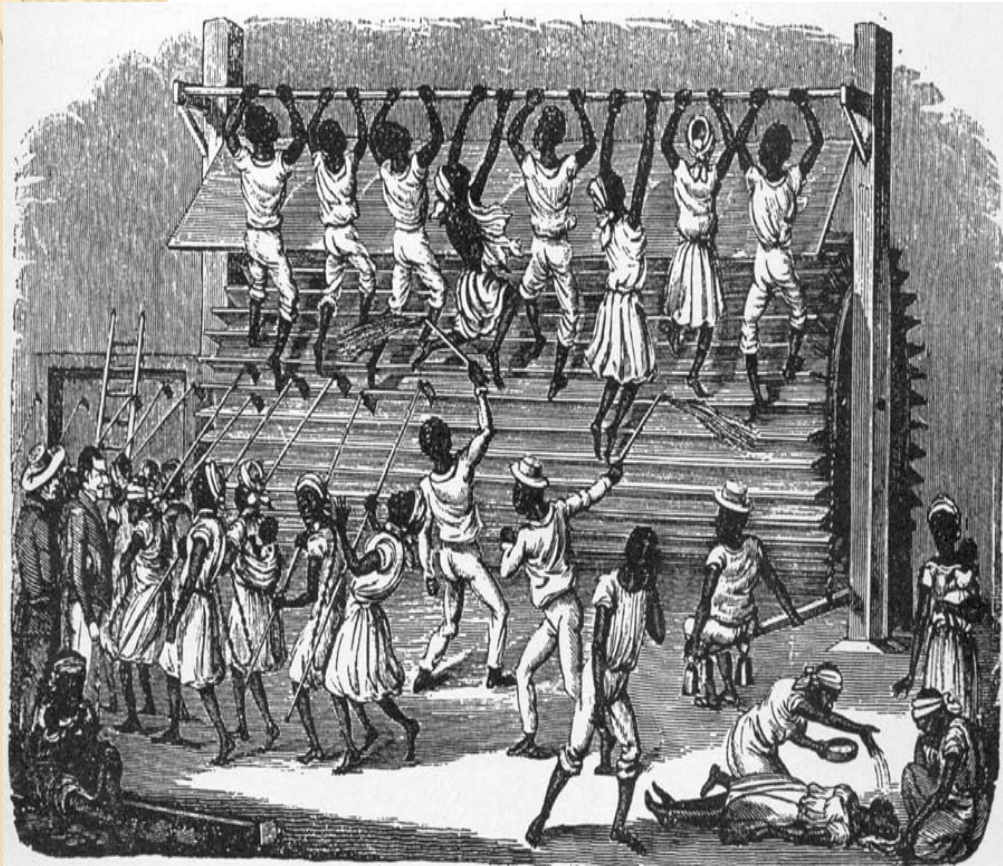

Causes of slavery in the New World

- Europeans needed a source of labor in the New World
 - Gold & silver mining
 - Sugarcane farming

Why were African slaves used?

- Native Americans made bad slaves
 - Died from diseases, fled into wilderness, weren't used to farming
- Europeans didn't want to do hard labor themselves (only wanted to profit from it)
- Established practice of slavery in Africa
- Africans familiar with farming

How did slaves get from Africa to the New World?

DESCRIPTION OF A SLAVE SHIP.
